Chapter 1 by Kawena04

“NARUTO!!!!” Sakura yelled at the blonde haired boy. Naruto sat there rubbing his head. “Owwwww Sakura. That hurt...” Naruto whined. “Your such a loser Naruto.” Sauske said with his arms crossed acting all cool. “WELL ITS NOT LIKE YOU COULD HAVE DONE IT!!” Naruto yelled in rage at Sauske. “OH YEAH?” Sauske said to Naruto. “YEAH! I DARE YOU TO TRY!!” Naruto yelled at Sauske. “Humph. Fine.” Sauske said. He ran away to do what he was dared to.

2 hours later...

Naruto and Sakura were drinking tea. Sauske came. “So? Did you see his face?” Sakura asked. “Nah, I got tired of shadowing him.” Sauske said. They all sighed. Sakura got up. “My turn.” She said brushing her lap off.

2 hours later...

Sauske and Naruto were drinking tea. “How’d it go Sakura?” Naruto asked as she came back. “He...He got away...” She said in disappointment. The three sighed. A girl with sky blue hair in a bun held with a hair pick, magenta eyes, pale skin, a white t-shirt with fishnet sleeves, a blue

Naruto's eyes were following her. "Well she's a righty." Sakura pointed out. "That's all you noticed!?!?" The boys said. Sakura nodded. The boys jaws dropped. "Didn't you see her hair? Her eyes? Her skin? She looks perfect!!" The boys said in unison.

Sakura's POV

What about me? Don't I look perfect Sauske? I sighed. CHA! I DON'T LIKE THAT GIRL IF SAUSKE THINKS SHES PRETTIER THAN ME!! "Hey Sakura are you okay?" Naruto asked me. "Huh? Yeah I'm fine!" I said smiling. OF COURSE I'M NOT FINE. "Hey guys!" Kakashi sensei said as he walked up. "Hi Kakashi sensei!" Naruto said. Sauske looked like his head was up in the clouds. "Hello sensei." I said bowing my head. "You okay Sauske?" Master Kakashi asked him. "He was probably thinking of that pretty girl that walked past a couple minutes ago." Naruto said elbowing Sauske. Sauske blushed. "I am not, you loser!" Sauske said. "Tch, yeah sure. That was convincing." Naruto said crossing his arms. Sauske faced away from Naruto crossing his arms, head held high. Naruto did the same. I shook my head. "Who is this girl they are talking about. I explained what she looked like to Kakashi sensei. "Hmm, I think she is part of squad 20. Made of San, Han and Yna. San and Yna are brother and sister. Han is just their teammate. San and Yna Lin were originally from the village widen in the snow. They moved here a couple months ago and graduated from the academy 6 months early. Best in their class at everything." Master Kakashi explained. Wow, they must be good then. "WHOA!!! I BET THAT SAN GUY IS BETTER THAN SAUSKE!" Naruto said smiling. "NO ONE IS BETTER THAN SAUSKE, NARUTO!!" I shouted at him. "Naruto has a point there. They moved into the academy 6 months into the year. To have graduated with everyone else, they would have to be pretty good." Kakashi Sensei said reading his book.

Yna's POV

Those boy's back there were just staring at me. "Hey San!" I said as I tapped my brother's shoulder. He was wearing a black t-shirt with our family symbol the three slash marks, navy blue shorts, his pouch on his left leg, blue shoes like everyone else, the same color hair as me, the same headband as me, red eyes and the same color skin as me. "What, Yna." My brother said looking behind him at me. "Is it bad for boys to stare at me when I walk by?" I asked him. He

cute. We look about the same age. San noticed me blushing and got angry. "Grrr..." I heard him say as he balled his fist. I quickly grabbed San's hand and walked away fast before things got out of hand. "San! Please don't get into ANY fights yet!" I yelled at him. He sighed. "Lets just get to Master Shina before we get yelled at." San said putting his hands in his pockets. We continued walking in silence. "YNA! SAN!" Han shouted when we were in his and Master Shina's eye sight. Han had brown hair, blue eyes, tan skin, a blue sweater, black pants, pouch on his right, the same blue shoes as everyone, and a black headband. Master Shina was Han's dad so he had the same hair and eyes, his outfit the Jonin outfit, and his pouch on his left. I smiled and waved. San just put his hand up quickly and then put it back in his pocket and continued walking towards them. Han and I high-fived. We were the best of friends. Granted he was my only friend. "So you guys ready for the Chunin Exams tomorrow?" Shina sensei asked us. "I WAS BORN READY!!!" I shouted. "Hmm, I doubt that." San said. I glared at him. "Well its not like you were any better than me when we first started. I was better than you." I said. Daggers were being shot from our eyes to each other

Han's POV

Yeesh, those twins can be scary. They were glaring at each other and it seemed like daggers were being shot from their eyes. They balled their fist and punched each other in the face. They both flew back but stood up and got in their fighting position. They charged at each other. Dad jumped between them and grabbed their fist; flipping them over. "Owwwww." They both said rubbing their heads. "Now as much as I like your fighting spirits, save that for the Chunin exams." Dad said as he helped them up. Another squad was walking towards us. "Hello, Shina." A man with white hair, his head band covering one eye, a mask covering his nose and mouth, and the same outfit as dad said. Behind him were three Genin. The girl had pink hair, sea foam green eyes, a pink dress thing, green shorts, her pouch on her left, and a blue head band. The first boy had dark blue hair, black eyes, a navy blue shirt with the Uchiha clan symbol on the back, white shorts, wraps from mid shin to his ankle, from his elbow to his wrist he had this kind of cloth gauntlet, his pouch on his left and a blue head band. The second boy had blonde hair, blue eyes, whiskers that were birth marks, a orange jumpsuit thing, on the back there was what Jonin usually have, as well as on his left shoulder, his pouch on his left and a blue headband. "Hello

me. "Brother! Stop." She said. Her pupils became like a cats. "Stop." She repeated. I put my hands to my side. "WHAT WAS THAT FOR!?!?" The blonde yelled. "Sorry about that. My brothers a little protective of me. Doesn't like it when boys look at me like that." Yna said helping him up. "That was a pretty powerful punch there. What's your name?" The one with dark blue hair asked me. "San. San Lin. Yours?" I said. "Sauske. Sauske Uciha." He answered. "Hey! Don't you want to know my name?" The blonde asked. "No." I answered plainly. "WHY DOES EVERYONE WANT TO KNOW SAUSKE'S NAME?!?!" The blonde shouted to the pink haired girl. "Because Sauske it better than you, Naruto." The girl said crossing her arms. "But Sakura..." Naruto said sadly. That's his name right? Eh, I think so. "So Shina, this is your team? Yna Lin, San Lin, and your own son, Han?" The guy named Kakashi questioned. "Yep. So you have the Uchiha on your team huh?" Master Shina asked. "Yep." Kakashi said. "Yna I approve of the Uciha, but I'm not so sure about the blonde." I said to her. She blushed. "SAN! YOU CAN'T DECIDE MY LIFE!" She yelled at me.

Yna's POV

Man that jerk! Does he really think he can decide my life! I crossed my arms and faced away from him my head held high. He did the same.

Sakura's POV

These two kind of remind me of Naruto and Sauske. Yna and San balled their fist. They suddenly turned and punched each other in the face. The both flew back about 5 feet. They got up and charged at each other. "I HATE YOU BROTHER/SISTER!!!" They shouted at each other as they punched each other in the face again. "Guys, Stop." Their Master said.
